

Assembly Bill No. 1418

CHAPTER 299

An act to amend Sections 373a, 1424, and 11105 of the Penal Code, and to amend Sections 1807.5, 1808.4, and 1810.5 of the Vehicle Code, relating to city prosecutors.

[Approved by Governor September 26, 2017. Filed with Secretary of State September 26, 2017.]

LEGISLATIVE COUNSEL'S DIGEST

AB 1418, O'Donnell. City prosecutors.

(1) Existing law authorizes the charter of any city to establish the office of city prosecutor with specified powers and duties.

Existing law makes it a crime for a person to maintain, permit, or allow a public nuisance to exist upon his or her property or premises, or to maintain, permit, or allow a public nuisance to exist on property or premises he or she is occupying or leasing from another person, after reasonable notice in writing from a city attorney.

This bill would also authorize a city prosecutor to prosecute a person for allowing a public nuisance to exist in those situations.

(2) Existing law authorizes a defendant to file a motion to disqualify a city attorney from performing an authorized duty involving a criminal matter, and prohibits the motion from being granted unless the evidence shows that a conflict of interest exists that would render it unlikely that the defendant would receive a fair trial. Existing law authorizes a city attorney to appeal an order recusing him or her from a proceeding.

This bill would expand those procedures to additionally apply to a city prosecutor.

(3) Existing law requires the Attorney General to furnish state summary criminal history information to specified persons or entities if needed in the course of their duties, including to any city attorney. Existing law makes it a misdemeanor for a person authorized to receive state summary criminal history information to knowingly furnish the information to a person who is not authorized by law to receive it.

This bill would require the Attorney General to furnish state summary criminal history information to a city prosecutor. Because the unlawful disclosure of this summary criminal history information would be a crime, this bill would impose a state-mandated local program.

(4) Existing law exempts records of the Department of Motor Vehicles (DMV) of a conviction of reckless driving from the California Public Records Act on and after a date which is 5 years after the date of conviction of that offense. Existing law requires, on and after that date, the department

to make that information available only to specified persons, including prosecuting city attorneys.

This bill would additionally make that information available to city prosecutors.

(5) Existing law makes the home address that appears in a record of the DMV of specified people, including city attorneys or attorneys employed by a city attorney, as specified, confidential if that person requests the confidentiality of that information.

This bill would expand those provisions to additionally cover the home address of a city prosecutor or an attorney employed by the city prosecutor, as specified.

(6) Existing law requires the DMV to provide access to the records of the department to, among others, city attorneys prosecuting misdemeanor actions, as specified.

This bill would additionally require the DMV to provide access to the records of the department to city prosecutors prosecuting misdemeanor actions.

(7) This bill would incorporate additional changes to Section 11105 of the Penal Code proposed by SB 420 to be operative only if this bill and SB 420 are enacted and this bill is enacted last.

(8) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

The people of the State of California do enact as follows:

SECTION 1. Section 373a of the Penal Code is amended to read:

373a. Each person who maintains, permits, or allows a public nuisance to exist upon his or her property or premises, and each person occupying or leasing the property or premises of another who maintains, permits, or allows a public nuisance to exist on the property, after reasonable notice in writing from a health officer, district attorney, city attorney, or city prosecutor to remove, discontinue, or abate the public nuisance has been served upon the person, is guilty of a misdemeanor. The existence of the public nuisance for each and every day after the service of the notice is a separate and distinct offense, and it is the duty of the district attorney, or the city attorney or city prosecutor of any city the charter of which imposes the duty upon the city attorney or city prosecutor to prosecute state misdemeanors, to continuously prosecute all persons guilty of violating this section until the nuisance is abated and removed.

SEC. 2. Section 1424 of the Penal Code is amended to read:

1424. (a) (1) Notice of a motion to disqualify a district attorney from performing an authorized duty shall be served on the district attorney and the Attorney General at least 10 court days before the motion is heard. The

notice of motion shall contain a statement of the facts setting forth the grounds for the claimed disqualification and the legal authorities relied upon by the moving party and shall be supported by affidavits of witnesses who are competent to testify to the facts set forth in the affidavit. The district attorney or the Attorney General, or both, may file affidavits in opposition to the motion and may appear at the hearing on the motion and may file with the court hearing the motion a written opinion on the disqualification issue. The judge shall review the affidavits and determine whether or not an evidentiary hearing is necessary. The motion may not be granted unless the evidence shows that a conflict of interest exists that would render it unlikely that the defendant would receive a fair trial. An order recusing the district attorney from any proceeding may be reviewed by extraordinary writ or may be appealed by the district attorney or the Attorney General. The order recusing the district attorney shall be stayed pending any review authorized by this section. If the motion is brought at or before the preliminary hearing, it may not be renewed in the trial court on the basis of facts that were raised or could have been raised at the time of the original motion.

(2) An appeal from an order of recusal or from a case involving a charge punishable as a felony shall be made pursuant to Chapter 1 (commencing with Section 1235) of Title 9, regardless of the court in which the order is made. An appeal from an order of recusal in a misdemeanor case shall be made pursuant to Chapter 2 (commencing with Section 1466) of Title 11, regardless of the court in which the order is made.

(b) (1) Notice of a motion to disqualify a city attorney or city prosecutor from performing an authorized duty involving a criminal matter shall be served on the city attorney or city prosecutor and the district attorney at least 10 court days before the motion is heard. The notice of motion shall set forth a statement of the facts relevant to the claimed disqualification and the legal authorities relied on by the moving party. The district attorney may appear at the hearing on the motion and may file with the court hearing the motion a written opinion on the disqualification issue. The motion may not be granted unless the evidence shows that a conflict of interest exists that would render it unlikely that the defendant would receive a fair trial.

(2) An order recusing the city attorney or city prosecutor from a proceeding may be appealed by the city attorney or city prosecutor or the district attorney. The order recusing the city attorney or city prosecutor shall be stayed pending an appeal authorized by this section. An appeal from an order of disqualification in a misdemeanor case shall be made pursuant to Chapter 2 (commencing with Section 1466) of Title 11.

(c) Motions to disqualify the city attorney or city prosecutor and the district attorney shall be separately made.
