3 **BE IT ENACTED** by the Senate and General Assembly of the State
4 of New Jersey:

5

6 1. As used in this chapter (R.S.43:21-1 et seq.), unless the
7 context clearly requires otherwise:

8 (a) (1) "Annual payroll" means the total amount of wages paid
9 during a calendar year (regardless of when earned) by an employer
10 for employment.

11 (2) "Average annual payroll" means the average of the annual
12 payrolls of any employer for the last three or five preceding
13 calendar years, whichever average is higher, except that any year or
14 years throughout which an employer has had no "annual payroll"
15 because of military service shall be deleted from the reckoning; the
16 "average annual payroll" in such case is to be determined on the
17 basis of the prior three or five calendar years in each of which the
18 employer had an "annual payroll" in the operation of his business, if
19 the employer resumes his business within 12 months after
20 separation, discharge or release from such service, under conditions
21 other than dishonorable, and makes application to have his "average
22 annual payroll" determined on the basis of such deletion within 12
23 months after he resumes his business; provided, however, that
24 "average annual payroll" solely for the purposes of paragraph (3) of
25 subsection (e) of R.S.43:21-7 means the average of the annual
26 payrolls of any employer on which he paid contributions to the
27 State disability benefits fund for the last three or five preceding
28 calendar years, whichever average is higher; provided further that
29 only those wages be included on which employer contributions have
30 been paid on or before January 31 (or the next succeeding day if
31 such January 31 is a Saturday or Sunday) immediately preceding
32 the beginning of the 12-month period for which the employer's
33 contribution rate is computed.

34 (b) "Benefits" means the money payments payable to an
35 individual, as provided in this chapter (R.S.43:21-1 et seq.), with
36 respect to his unemployment.

37 (c) (1) "Base year" with respect to benefit years commencing
38 on or after July 1, 1986, shall mean the first four of the last five
39 completed calendar quarters immediately preceding an individual's
40 benefit year.

41 With respect to a benefit year commencing on or after July 1,
42 1995, if an individual does not have sufficient qualifying weeks or
43 wages in his base year to qualify for benefits, the individual shall
44 have the option of designating that his base year shall be the
45 "alternative base year," which means the last four completed

EXPLANATION – Matter enclosed in bold-faced brackets [thus] in the above bill is not enacted and is intended to be omitted in the law.

Matter underlined thus is new matter.

1 calendar quarters immediately preceding the individual's benefit
2 year; except that, with respect to a benefit year commencing on or
3 after October 1, 1995, if the individual also does not have sufficient
4 qualifying weeks or wages in the last four completed calendar
5 quarters immediately preceding his benefit year to qualify for
6 benefits, "alternative base year" means the last three completed
7 calendar quarters immediately preceding his benefit year and, of the
8 calendar quarter in which the benefit year commences, the portion
9 of the quarter which occurs before the commencing of the benefit
10 year.

11 The division shall inform the individual of his options under this
12 section as amended by P.L.1995, c.234. If information regarding
13 weeks and wages for the calendar quarter or quarters immediately
14 preceding the benefit year is not available to the division from the
15 regular quarterly reports of wage information and the division is not
16 able to obtain the information using other means pursuant to State
17 or federal law, the division may base the determination of eligibility
18 for benefits on the affidavit of an individual with respect to weeks
19 and wages for that calendar quarter. The individual shall furnish
20 payroll documentation, if available, in support of the affidavit. A
21 determination of benefits based on an alternative base year shall be
22 adjusted when the quarterly report of wage information from the
23 employer is received if that information causes a change in the
24 determination.

25 (2) With respect to a benefit year commencing on or after June
26 1, 1990 for an individual who immediately preceding the benefit
27 year was subject to a disability compensable under the provisions of
28 the "Temporary Disability Benefits Law," P.L.1948, c.110
29 (C.43:21-25 et seq.), "base year" shall mean the first four of the last
30 five completed calendar quarters immediately preceding the
31 individual's period of disability, if the employment held by the
32 individual immediately preceding the period of disability is no
33 longer available at the conclusion of that period and the individual
34 files a valid claim for unemployment benefits after the conclusion
35 of that period. For the purposes of this paragraph, "period of
36 disability" means the period defined as a period of disability by
37 section 3 of the "Temporary Disability Benefits Law," P.L.1948,
38 c.110 (C.43:21-27). An individual who files a claim under the
39 provisions of this paragraph (2) shall not be regarded as having left
40 work voluntarily for the purposes of subsection (a) of R.S.43:21-5.

41 (3) With respect to a benefit year commencing on or after June
42 1, 1990 for an individual who immediately preceding the benefit
43 year was subject to a disability compensable under the provisions of
44 the workers' compensation law (chapter 15 of Title 34 of the
45 Revised Statutes), "base year" shall mean the first four of the last
46 five completed calendar quarters immediately preceding the
47 individual's period of disability, if the period of disability was not
48 longer than two years, if the employment held by the individual

1 immediately preceding the period of disability is no longer
2 available at the conclusion of that period and if the individual files a
3 valid claim for unemployment benefits after the conclusion of that
4 period. For the purposes of this paragraph, "period of disability"
5 means the period from the time at which the individual becomes
6 unable to work because of the compensable disability until the time
7 that the individual becomes able to resume work and continue work
8 on a permanent basis. An individual who files a claim under the
9 provisions of this paragraph (3) shall not be regarded as having left
10 work voluntarily for the purposes of subsection (a) of R.S.43:21-5.

11 (d) "Benefit year" with respect to any individual means the 364
12 consecutive calendar days beginning with the day on, or as of,
13 which he first files a valid claim for benefits, and thereafter
14 beginning with the day on, or as of, which the individual next files a
15 valid claim for benefits after the termination of his last preceding
16 benefit year. Any claim for benefits made in accordance with
17 subsection (a) of R.S.43:21-6 shall be deemed to be a "valid claim"
18 for the purpose of this subsection if (1) he is unemployed for the
19 week in which, or as of which, he files a claim for benefits; and (2)
20 he has fulfilled the conditions imposed by subsection (e) of
21 R.S.43:21-4.

22 (e) (1) "Division" means the Division of Unemployment and
23 Temporary Disability Insurance of the Department of Labor and
24 Workforce Development, and any transaction or exercise of

26 chapter (R.S.43:21-1 et seq.), shall be deemed to be performed by
27 the division.

28 (2) "Controller" means the Office of the Assistant

33 Unemployment Compensation Fund, required by R.S.43:21-7.
34 "Payments in lieu of contributions" means the money payments to

6 performed outside of all the places of business of the enterprise for
7 which such service is performed; and

8 (C) Such individual is customarily engaged in an independently
9 established trade, occupation, profession or business.】

10 To determine whether an individual is an employee or an
11 independent contractor, the division shall consider all information
12 that provides evidence of the degree of control and the degree of
13 independence. Facts that provide evidence of the degree of control
14 and independence fall into three categories:

15 (A) behavioral control;

16 (B) financial control; and

17 (C) the type of relationship of the parties.

18 In making an employment determination pursuant to this
19 paragraph, the division shall consider any guidance on determining
20 a worker's employment status provided by the federal Internal
21 Revenue Service in the Department of the Treasury.

STATEMENT

30

31 This bill revises the factors that are used to determine whether a
32 worker is an employee or an independent contractor under certain
33 State labor laws.

34 The "ABC" test is widely used under current State labor law for
35 determining whether a worker is an employee or an independent
36 contractor. It is used to determine employee and employer
37 obligations and entitlements under the following laws: the
38 "unemployment compensation law," the "Temporary Disability
39 Benefits Law," the New Jersey wage payment law, and the "New
40 Jersey State Wage and Hour Law." It is also used under the "New
41 Jersey Gross Income Tax Act," for purposes of determining whether
42 an employer is required to deduct and withhold State income taxes.

43 The "ABC" test provides that an individual who performs
44 services for remuneration is presumed to be an employee unless the
45 employer can show to the satisfaction of the Department of Labor
46 and Workforce Development that:

1 (A) Such individual has been and will continue to be free from
2 control or direction over the performance of such service, both
3 under his contract of service and in fact; and

4 (B) Such service is either outside the usual course of the
5 business for which such service is performed, or that such service is
6 performed outside of all the places of business of the enterprise for
7 which such service is performed; and

8 (C) Such individual is customarily engaged in an independently
9 established trade, occupation, profession or business.

10 If an employer fails to prove any one of the three criteria for
11 showing a worker is an independent contractor, the worker will be
12 classified as an employee, and will be eligible for benefits pursuant
13 to the labor laws listed above. Additionally, the employer and
14 employee will be required to comply with the contribution and
15 participation obligations of the respective labor laws.

16 This bill revises the factors for showing a worker is an
17 independent contract. Under the bill, to determine whether an
18 individual is an employee or an independent contractor, all
19 information that provides evidence of the degree of control and the
20 degree of independence is to be considered. Facts that provide
21 evidence of the degree of control and independence fall into three
22 categories:

23 (A) behavioral control;

24 (B) financial control; and

25 (C) the type of relationship of the parties.

26 In making an employment determination any guidance on
27 determining a worker's employment status provided by the federal
28 Internal Revenue Service in the United States Department of the
29 Treasury is to be considered. This bill aligns the test for
30 employment status under State law with the test in use by the
31 Internal Revenue Service in the Department of the Treasury.
