

HB 2884 -- MOTOR FUEL TAX

SPONSOR: Mayhew

The motor fuel tax exemption and refund specified in Section 142.822, RSMo only applies to motor fuel delivered into a motor vehicle with a gross weight of 26,000 pounds or less. This bill removes the gross weight limit.

The bill also sunsets the tax and exemption under the bill six years after the effective date of the bill. The provisions can be reauthorized 12 years after the effective date of the reauthorization, and will terminate on September 1st of the calendar year following the calendar year in which the tax and exemption are sunset.
